TaGgED Winter 2012

TaGgED WINNERS

Last issue we were feeling generous. Here are some of the winning faces with their prizes. **Elias Gaby** from the CTI School won himself a copy of 'Hunted: The Demon's Forge' for Xbox 360. **Jorj Bader** picked up a copy of 'FIFA 12' for Xbox 360. **Eliane Antoun** won the BigBen Interactive Sports and Training Packs, and **Alan Sarraf** from the International College took home the big prize, a Samsung Galaxy Tab 10.0 worth over \$550. **WOW!**

Next issue we'll be giving away the shirt off our own back!

TRAINING PACKS**
Eliane Antoun

**UNTED: THE
DEMON'S FORGE
FOR XBOX 360**
Elias Gaby

**FIFA 12 FOR
XBOX 360**
Jorj Bader

ART Waste Contest

Zero waste ACT invites all schools to participate in its Art Waste Contest -a competition emphasizing REuse of waste to create artistic sculptures.

The Art Waste Contest will take place in two phases: intra and inter school.

In *phase one*, students will compete with each other within their school. At the end of this phase which will last from **January till April 2012**, each school will select a maximum of 3 artifacts -one from each cycle- to participate in the final competition.

Final phase will take place in **May 2012** during which an elite jury will select **One Winner** from each cycle.

Each qualified artifact will measure a maximum of **1m x 1m x 1m** and will only include material not currently collected through Zero Waste ACT program.

Winners (Students and their Schools) will be remunerated with valuable prizes.

To find out the list of allowed material and for further rules and regulations visit the Zero Waste ACT website: **www.zerowasteact.com**

ART WASTE CONTEST REDUCES WASTE TO CREATE VALUE
